🥂 Cheers on your financial journey! You've got this! 🥂

"Wealth is the ability to fully experience life."

- Henry David Thoreau

Product Description

Welcome to your Budget & Income Tracker dashboard!

This Google Sheets spreadsheet will help you organize your income streams data, keep you accountable for your budgeting, and automatically generate visualizations that will motivate you to achieve all your financial goals.

This dashboard includes:

1. Input tab for calculating your income sources 
2. Net Income dashboard 
3. Percentage budgeting dashboard modelled after the 50/30/20 rule ⚡

Happy Budgeting 💰

PS: There's more where this came from 😎. They aren't free but you can get one for over 20% off on all products by applying the code PURPLE at [checkout](#) in honor of my birthday month (October) and Black November. This will be valid only between 6th October to 30th November every year.

In the meantime, get a taste of pro!
